Welcome back! We hope that you have all had a wonderful break and been able to enjoy some quality family time. After chatting with the students yesterday it sounds like there was a range of fun activities happening over the last two weeks.

Once again this term will be jam packed with lots planned. Next week we will welcome the **Kinder 2020** students as they commence transition into 'Big School'. Once again these will be held over the next four Wednesdays.

Our next Parent TEAM meeting is being held **tomorrow night at 7pm in the school library**. This meeting will be focused on planning for our combined school and parish Fete. All are invited to come along and contribute their thoughts and support to what will be our major fundraiser.

The other major fundraiser for our community will be the **Finley Bowling Club Raffle** which is being held on **Friday the 22nd of November**. We are very grateful to the Finley Bowling Club for offering to host these fundraisers. Over the last few years this night has contributed over \$10000 towards our school community.

What we will need from our community for this event is quite simple. We need to provide some extra raffles to go along with the regular meat and veggie trays. If you have something that you would like to contribute just drop it off to the school office. On the evening of the 22nd we will also need you to come along for a night out. Bring family and friends, share a meal and participate in the raffles. Please contact the Finley Bowling Club on 5883 1324 to book in your group.

Our Year 5/6 students will be heading off on their **Canberra excursion from Tuesday the 5th of November to Friday the 8th**. I have perused the itinerary and see that they are up for a fabulous time exploring the nation's capital city. They will have an opportunity to learn about our government systems, our war history, changes over time in our culture and so much more. The students will be accompanied by Rebecca Doyle and Ed Harding.

Have a great week.
